ON PETITION

This is a decision on the petition under 37 CFR 1.182, filed January 10, 2005, to correct the names of two of the joint inventors.

The petition is **GRANTED**.

Office records have been updated to reflect the correction to inventor Henry Chu's name to Henry Chung-Hsin Chu and inventor Thomas Oudal's name to Thomas D. Oudal.

In view of the expedited issuance of patents, the Letters Patent may issue without the inventors' names as requested. If the Letters Patent is not printed with the inventors' names as desired, petitioner may request a certificate of correction and pay the \$100 fee therefor.

A petition treated under the provisions of 37 CFR 1.182 requires a fee, effective November 22, 2004, of \$400. Accordingly, as authorized, the \$400 fee due will be charged to petitioner's deposit account.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34, the signature of Brian A. Carlson appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts. If Mr. Carlson desires to receive future correspondence regarding this application, an appropriate power of attorney or authorization of agent must be submitted.

Telephone inquiries concerning this matter may be directed to Retta Williams at (571) 272-3229.

This matter is being referred to the Publishing Division for further processing.
